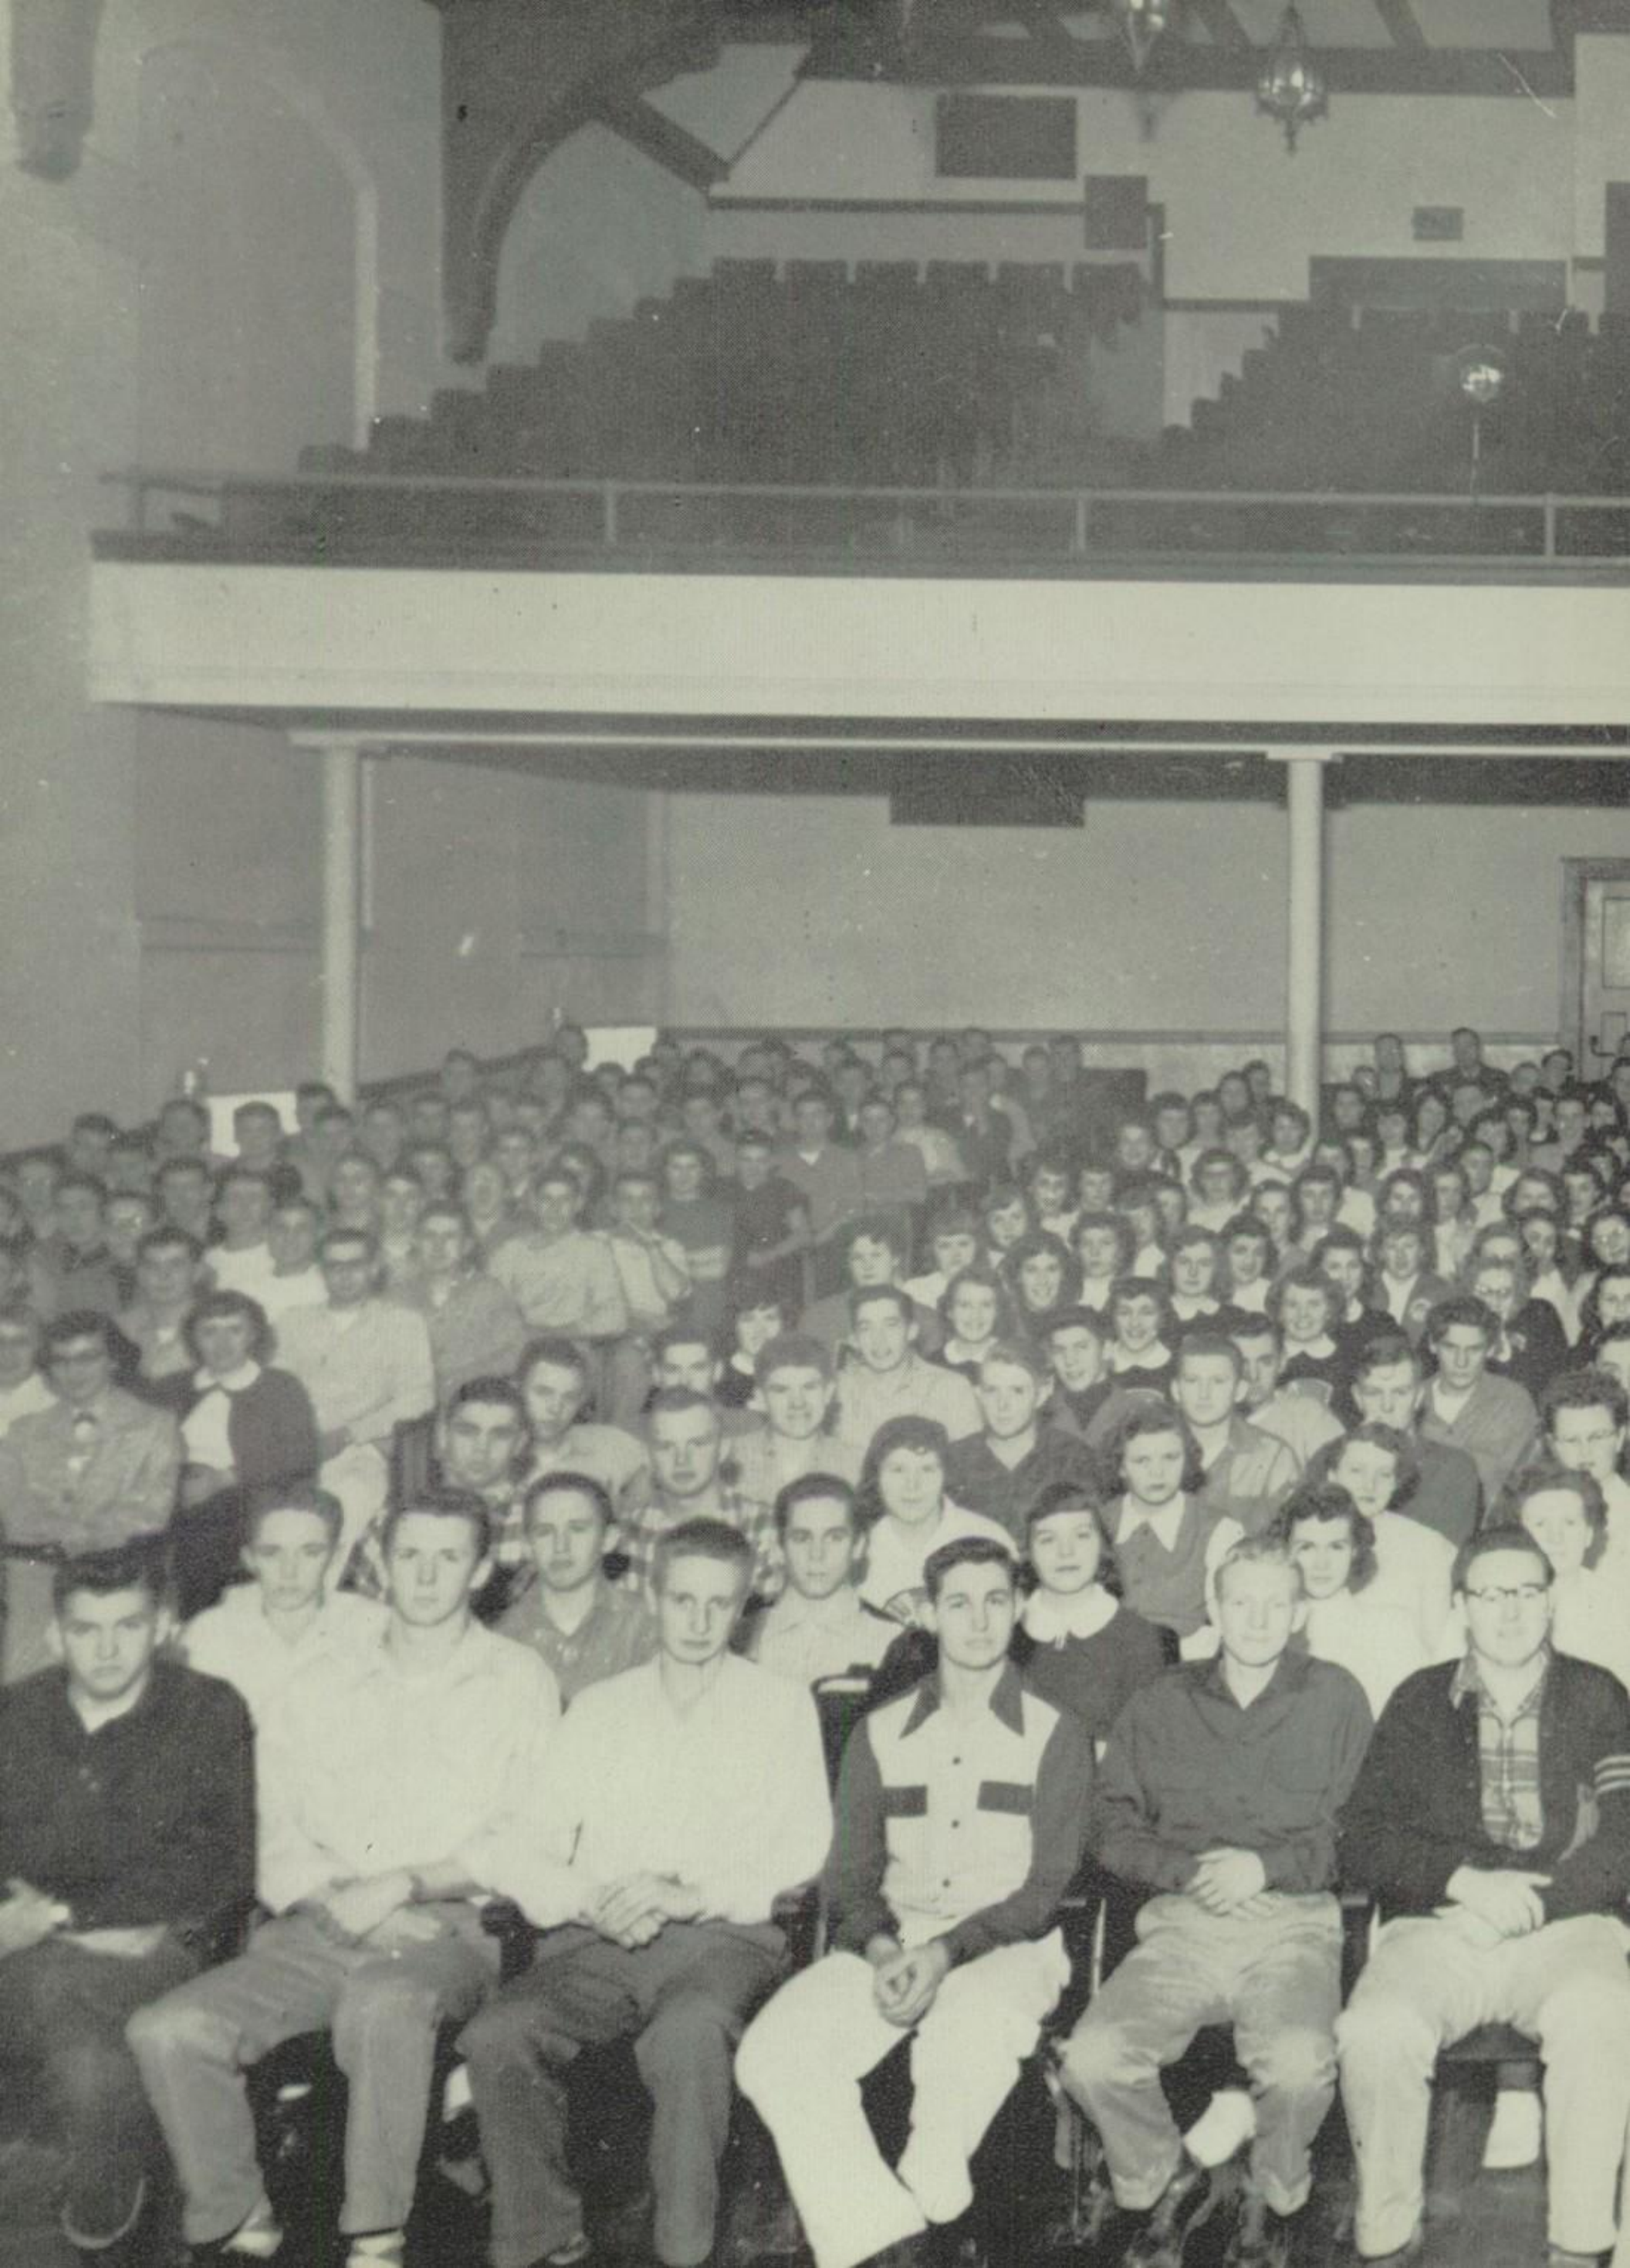
MOLALLA UNION HIGH SCHOOL



Dedication

We, the members of the 1954 Annual Staff, wish to dedicate this ARROW to the student body of Molalla Union High School.

Our sales campaign was a great success and created more interest among the students than ever before.

Through this book we have tried to reveal a few of the many scenes of school life and it is our hope that it will help you remember your happy carefree days at M.U.H.S.

Robert Hanson, Andrea English, Ben Ross, Vice President; James Alexander, President; Marcia Yoder, Shirley Swerver, Carolee Chindgren, George Krupicka.

Student Council

D. Moshberger, C. Chindgren, R. Wrolstad, A. English, N. Longtain, M. Yoder, J. Weaver, S. Swerver, S. Myrick, A. Perry, G. Krupicka, R. Ray, B. Ross, W. Aho, B. Hanson, J. Roberts, J. Alexander, K. Nayler, J. Reed, E. Lettenmaier.

At M.U.H.S., the student council has as its purpose, to give the students more responsibility in the governing and operation of their school. Students are given as much individual opportunity as they can intelligently assume to govern themselves.

Their biggest project this year was a revision of the constitution that will establish a more direct student representation in the student council.

Over the past several years the student councils have steadily improved until at the present time, Molalla boasts one of the strongest in this area.

The Molalla football squad completed the season with a 6——2 record, placing them solidly in second place in W.V.L. play. The main reason for their fine record, was contributed to the hustling attitude and the desire to win of the boys. These combinations were hard to beat on the playing field.

The team was greatly sparked by several outstanding seniors. Three of them, George Krupicka, Roy Howell, and Roger Phelps, were selected on the W.V.L. All-Star-Team. Many of the other team members received honorable mention for their outstanding playing.

"A" Squad Basketball

Molalla put a team on the floor built around Jim Alexander and Stan Childers, regulars from last year's team. Lack of playing experience at the beginning of the year, was responsible for the Indians' initial three losses.

This team gave the Molalla rooters many thrills during the year. In several games the Indians came from behind to win in the last few minutes. They also set a team scoring record for the school with 77 points against Woodburn.

The Indians ended in third place in the Willamette Valley League and wound up the season with a 14 win, 8 loss record. Of these eight losses only one, Silverton, was at home.

Regulars for the Indians were: Sophomores, Wally Aho and Dewayne Parker; Seniors, Jim Alexander, team captain, Roy Howell and Stan Childers. Along with the above seniors, Len Feyrer, Larry Day and Steve Roberts contributed much to the winning power of the team.

THE NIGHT OF JANUARY 16

On the night of January 16, Mr. Bjorn Faulkner was murdered. District Attorney Flent was out to prove that Karen Andre, Faulkner's secretary, had committed the crime with the help of Larry Regan, a notorious blackmailer. On the other side, Defense Attorney Stevens tried to switch the crime to John Graham Whitfield who was father of the deceased's wife.

The entire play took place in the courtroom, The jurors were people selected from the audience who rendered a verdict of "not guilty."

Pictured above are, front row: Roger Phelps, Dave DeFrates, Maria Oneth, John Camp, Margaret Turner, Benny Ross, Marian Martin.
